

Procedure Codes Fee Schedules

† Modified on 02/27/2025 5:08 pm EST

Fee Schedules allow users to create and manage the prices of the procedure(s) or service(s) rendered based on a claim, location, payer, and more. From within the procedure codes section you can update a procedure code's price for any fee schedule.

Follow the steps below to update a procedure code's price on a fee schedule

1. Select **Customer Setup > Codes... > Procedure Codes**.
2. Use the **Search** field to find the procedure code by the **CPT/HCPCS code** or **description**. Or use the **Show All** button to view all codes.

 Place a check in the "**Include inactive codes**" box to include inactive codes in your search results.

3. Select the **Procedure Code**.
 4. Locate and click on the **Fee Schedules** tab from the right-hand side panel.
 5. You can **add, view, or edit** any **prices** associated with this procedure code's fee schedule(s). Click on a Fee Schedule's price and type in the new price.
 6. **Optional:** You can access/view the associated fee schedules by clicking on the Fee Schedule Name.
 7. **Optional:** You can view the Medicare Allowables and RVUs by clicking the **View Medicare Physician Fee Schedule (MPFS) information** link.
 8. Click **Save**.
