CollaborateMD's payment portal utilizes the highest form of security to protect the patient's information. The payment portal is our own in-house product which allows payments to post directly into the practice, in real-time. By providing patients a secure online payment portal, offices are reducing patient calls, increasing billing accuracy, and accelerating patient payments. Plus, patients can view their visit and payment history instantly.

If you're the Auth Rep, follow the steps below to enable, configure, or disable your Payment Portal:

1. Select **Account Administration > Services**.
2. Click the **button** next to Patient Payment Portal.
3. The **Enable Patient Payment Portal** box enables or disables this service.
4. Check the box to choose your **Payment Portal Settings**:
5. **Payment Portal Options**:
 1. **Header Template**: General contact information that will be shown in the header of every page of the Payment Portal.
 1. Click the **Choose File** button to upload a logo.

 2. **Enter the required fields**: Practice Name, Address, City, State, Zip code, Phone, or select "copy from practice."
 3. **Optional**: Enter your practice website.
 2. **Statement Template**: Please visit the Statements section to configure electronic statements.
 3. **Payment Options**: Set a minimum payment threshold and enable the Patient Directed Payment Plan feature (only applies to payments of less than the balance due).
 1. Under Patient **Directed Payment Plans**, check the "**Allow patients to set up a patient payment plan from the Payment Portal**" checkbox.
 2. Enter the **Minimum** and **Maximum** amounts that patients can create a payment plan for via the portal (the system defaults to 75 min and 20,000 max).
 3. Select the Payment Plan Terms:
 1. **(Recommended) Allow CollaborateMD to select the best payment plan terms** CMD will select the best 3 options based on the amount owed.

2. **Set up allowed payment plan terms** Select your own payment plan terms by disabling (checking the box(es)) the terms based on owed amounts/installments you don't want available as an option.
