

How to Register for the Payment Portal with the QR Code (Patients)

† Modified on 08/17/2026 3:21 pm EDT

1. Locate the **Payment Portal QR Code** that is shown on your patient statement.

2. Scan your code using your smartphone's **QR Code Reader** app.
3. Scanning the QR Code will take the patient to the Payment Portal site and automatically fill in their patient account #.
4. Click **Next**.
5. Select **Create an account to see your balance and history**
6. Enter your **Last Name**, **Date of Birth**, and the **last 4 of your SSN or Member ID Number**.
7. Click **Next**.
8. Enter your **email**, then click **Next**.
9. Copy the **Verification Code** from your email, then click **Next**.
10. Create a secure **Password**.
11. Click **Register**.

Don't have a smartphone or a QR Scanner app? Visit our **How to Register for the Payment Portal Help Article** for detailed steps on how to register for the payment portal manually.
