/lanage Patient Estimates

:t Modified on 04/10/2024 11:33 am EDT

'he Patient Estimates feature allows you to easily create Good Faith Estimates as required by the No urprises Act. Once an estimate is created using either the Scheduler or the Claim section, users can print ıe estimate (as required by the No Surprises Act for uninsured or self-pay patients), send a statement electronically or on paper), enter payments in CMD, or have the patients make the payment on the patient ortal.

---

f you're the Auth Rep, follow the steps below to enable, configure, or disable the Patient Responsibility stimator:

1. Select **Account Administration** > **Services.**
2. Click the **button** next to Patient Estimates
3. The ***Enable Patient Estimates*** box **enables or disables** this service.
4. Click **Save**.

⚠ Usage of this feature requires that the **Real-Time Eligibility** Service is enabled.
