

Release 14.13.0 - July 15, 2024

† Modified on 08/01/2024 4:05 pm EDT

New Features and Updates

General

Home

- **New Timeline Item for Claims At Status** Added a new timeline item, "Claims At Status," which, when selected, provides a multi-select dropdown menu. This allows users to select one or more claim statuses, adding one entry to the daily section of the timeline for each selected status.
