New Features and Updates

General

Appointments

- **Added UI Improvements To The Scheduler's Eligibility & Forms Icons:** We reduced the size of the Eligibility and Forms icons and allowed them to take up vertical space when available, enabling more appointment information to be visible on the scheduler. We also changed the color of the "intake forms sent but not filled out" icon from yellow to gray, distinguishing it from the "intake forms not sent" icon.

The screenshot shows a scheduler interface with a vertical timeline on the left and appointment cards on the right. The timeline has slots for 12 pm, 15, 30, 45, 1 pm, 15, 30, 45, 2 pm, and 15. Two appointment cards are visible: one for SILVERTONGUE, LYRA - CONSULT 30 (1 pm slot) and one for TEST, JOHNNY - CARDIOLOGY (1 pm slot). The second card has a yellow warning icon and a red box around a gray hourglass icon.

Patient

- **Updated The Statement Tracker "Status" Column:** Updated the Statement Trackers Status column to include the "user printed name." This allows users to see the print status, as well as the individual who printed the document, which improves the auditing process.

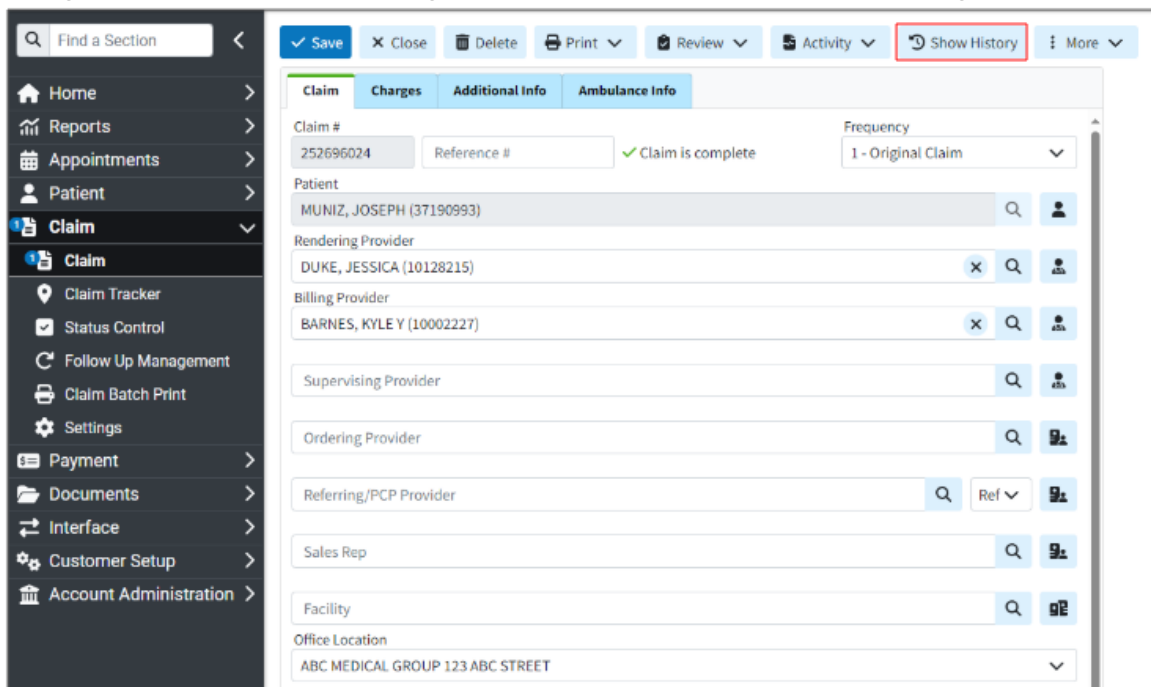

The screenshot shows a table with columns: Patient, Invoice #, Date, Amount, Type, and Status. The Status column contains text indicating the user who printed the document and the print type. A red box highlights the Status column for the first six rows.

Claim

- **New Enhanced Auditing (Show History) for Claims** CollaborateMD has been working on a new enhanced auditing project that provides offices with an easy and transparent way of auditing changes made in the application. We previously released our new Enhanced User Auditing feature in the Customer Setup and Patient sections of the application, allowing users to see a detailed list of changes made to specific records throughout the application.

In this release, we are expanding our Enhanced Auditing functionality to the Claim section enabling users to track modifications, changes, and updates made to claims within CMD for better auditing and accountability. With the new "Show History" feature, you can now determine which user changed specific Claim information in the software and when, by providing an auditing table with all updates or changes made to a record, including the user, date and time, and the item changed.

The screenshot displays the 'Claim' form in the CollaborateMD application. The left sidebar contains a navigation menu with options like Home, Reports, Appointments, Patient, Claim, Claim Tracker, Status Control, Follow Up Management, Claim Batch Print, Settings, Payment, Documents, Interface, Customer Setup, and Account Administration. The main content area shows the 'Claim' form with tabs for Claim, Charges, Additional Info, and Ambulance Info. The 'Claim' tab is active, showing fields for Claim # (252696024), Reference #, Frequency (1 - Original Claim), Patient (MUNIZ, JOSEPH (37190993)), Rendering Provider (DUKE, JESSICA (10128215)), Billing Provider (BARNES, KYLE Y (10002227)), Supervising Provider, Ordering Provider, Referring/PCP Provider, Sales Rep, Facility, and Office Location (ABC MEDICAL GROUP 123 ABC STREET). A 'Show History' button is highlighted in red in the top right corner of the form.

These new auditing records are also included in our existing User Audit Report, making it an even stronger tool for auditing multiple records simultaneously. The Show History capability has currently been deployed in the Customer Setup, Patient, and Claim sections, and we will be adding it to other sections of the application systematically.

- **Status Control's "Current Payer" Column Update:** Updated the Status Control results screen to show more details about which payer is displayed. The "Current / Primary Payer" column will now be "Current Payer," and will include the payer priority (primary, secondary, tertiary) in parentheses if the filtered charge status is a payer status.

Customer Support

- New Signature Type Column Within Agreement Lookup:** Added a new column, hidden by default, to the agreement lookup screen. This column will store and display the "Signature Type" (based on the Provider Action field received from ePS) and includes a new report field under Agreement Data. The possible actions for the "Signature Type" are:
 - * Electronic Signature
 - * Online Enrollment
 - * Wet Signature
 - * Other

Payment Portal

- New UI Updates to The Payment Portal:** Added some UI enhancements to the Payment Portal related to new colors and margins for better consistency and a better customer experience. We also updated

the Payment Portals password requirements to now require at least 12 characters and disallow the reuse of any previous passwords.

The screenshot displays a patient portal interface. On the left is a dark sidebar with navigation options: 'My Statement' (with a house icon and a right arrow), 'Visit History' (with a person icon), 'Payment History' (with a dollar sign icon), 'Preferences' (with a gear icon), and 'Sign Out' (with a left arrow icon). The main content area is white and contains several sections:

- Account Balance:** A yellow box states 'You owe \$877.00' with the text 'Due today. Thank you!' below it. To the right is a yellow button labeled 'Pay Now'.
- Payment Options:** A light green box with a red border offers 'Pay Over Time!' at '\$48.73 - \$146.17 per month.'. To the right is a green button labeled 'Choose Your Plan'.
- Account Summary:** A section header followed by a table:

Total Charges	\$877.00
Insurance Payments	\$0.00
Insurance Adjustments	\$0.00
- Recent Visit Summary:** A section header below the account summary.
